I am writing to thank you for all your efforts.
I would unreservedly recommend your services anyone wishing to buy or sell a property in the Wallingford area. I am sure that with your drive and professionalism it is only a matter of time before Lesters becomes the leading agency in Oxfordshire.
With best wishes for the future.

We have previously found when dealing with larger agents that staff change frequently so there is no continuity of knowledge of us, our tenants or our property.
You at Lesters have all this knowledge + are able to introduce prospective tenants suitable to each of our properties, the location + circumstances.

We can't thank you enough for the help and support that Lesters have provided with both the sale of our house and the purchase of our new home. We are absolutely delighted.
You sold our house within 2 weeks and managed to find us a fantastic new home that met our requirements - all when the market was slow.
You have gone out of your way to make this move happen and I don't think it would have happened without you. We wish you well with your business and will definitely recommend you to friends.

Dear James + Julian.

Thankyou very much for the first class service that you have given us over the past few months. It has been greatly appreciated. We are looking forward to our meal at Anoki - a very nice touch. We will be staying in Didcot for a few years but look forward to doing business in the future!
Best wishes Diane + Mark (Statham)

Hi James,
Thank you for helping us sell our house.
We were amazed at how quickly you managed to get our house on the market and very pleased with the quality of the photos - particularly the one of the front of the house.
We were very impressed that you delivered so quickly on your promises - you did a great job!

I am writing to thank yourself and your colleagues at Lesters for your assistance with my recent house sale.
I found your company to be highly professional and effective. I recognise and appreciate the benefits of dealing with an independent company such as yourselves over your larger competitors in the market.
I would not hesitate to recommend your services to others in the future.

I just wanted to say thank you for all your help with my new house purchase. I am getting settled in well. Thank you also for the lovely flowers, they were very unexpected but much appreciated.
Best wishes

The Staff at Lesters,
My husband and I have recently moved and we would like to thank the staff at Lesters for all their hard work.
Staff were prompt to respond to queries and always called to keep us abreast of developments. This attention to detail helped the whole process remain painless and stress-free.
